- Other states and territories with no prior approval by the State Purchasing Agent
- Other entities when designated in writing by the State Purchasing Agent.

PRF69 RFR Overview

DCR's usage of PRF69 awarded SWC contract

DCR engineering division supports Park operations for capital improvements and maintenance activities at park facilities statewide. DCR recreational facilities include *43 swimming pools, 13 skating rinks, 55 ballfields and courts, 60 playgrounds, 3525 campsites, over 1500 buildings, 2 ski areas* and are serviced by extensive utility systems. In 2016 alone, the facilities engineering group managed over 300 capital projects and work orders in support of the park system.

Since DCR 395 was launched in 2009, DCR has spent *over \$30 million* on engineering services with the vendors under contract.
