

2018-2019 MALSCE Proprietors' Council Help Shape the Future of MALSCE and our Professions

As we continue working to ensure that MALSCE is an exciting association for all people in the land surveying and civil engineering professions, we are calling on leaders from member firms to demonstrate their support and have a voice! Members of the MALSCE Proprietors' Council have the opportunity to work with leaders from across the Commonwealth to define the direction of our great association. There are also opportunities to hear from clients and bounce ideas off of peers regarding staffing, business opportunities, marketing and sustainability in our industries.

This continues to be an extremely exciting time and we need you to be at the table with us!

MALSCE Proprietors' Council membership benefits include:

- being part of a council that serves as an advisory organization to the MALSCE Board of Directors;
- receiving periodic invitations to council meetings where business matters, government affairs and the challenges and
 opportunities impacting MALSCE as well as the land surveying and civil engineering professions are discussed;
- having your firm's contact information with a website link listed on the Land Surveying Information for Property Owners section of the MALSCE website. Homeowners and others who contact MALSCE looking to find a land surveyor are referred to this list.

In addition to paying the current year's MALSCE dues, Proprietors' Council members pay annual Proprietors' Council dues, which help MALSCE provide an expanding array of member benefits. Since larger firms have demonstrated a willingness to offer MALSCE increased financial support, the MALSCE Proprietors' Council employs a three-tiered dues structure based on the number of land surveying and geospatial employees. Firms with five or less employees of this type will pay \$100; those with six to 15 will pay \$250; and those with 16 or more will pay \$500. This dues payment entitles your company to membership in the Proprietors' Council through June 30, 2019.

If you would like to join the Proprietors' Council, complete and return the form below with your MALSCE dues invoice. Members who have previously enrolled will find their Proprietors' Council dues already listed within their invoice.
