2018 MALSCE Convention

March 2 & 3, 2018, DoubleTree by Hilton Hotel Leominster

The 2018 MALSCE Convention will include the following sessions:

Friday, March 2, 2018

What MALSCE is Doing for You

MALSCE President Paul Foley, Feldman Land Surveyors, MALSCE Director of External Affairs Abbie Goodman, MALSCE Executive Director Richard Keenan
MALSCE's overriding priorities for this year have been to provide improved member services and increase member engagement. During this session you'll hear reports and share your ideas on revising MALSCE's bylaws, the development of 3D surveying services standards, government affairs initiatives, and MALSCE's new website.

Subsurface Utility Mapping – A Global Perspective of Underground Utility Locating and Mapping

Michael Twohig, DGT Associates

This session will focus on survey best practices, project risks, emerging technologies and cloud based mapping systems.

Risk Management – Non-Technical Risk Drivers and Contract Review, Risk and Liability

Joshua Alston, Nitsch Engineering

Christopher Poole, Poole Professional Ltd.

This session will identify the non-technical causes of loss in design professional firms, the risk drivers, areas that influences a design firm's risk, and strategies to anticipate, identify, manage and respond to risk.

Land Court from the Inside

Leo Bieler, James Bothwell, Christina Geaney, John Harrington, Edgar Packard, John Vitale, Commonwealth of Massachusetts Land Court

Land Court staff from the Legal Department and Survey Division will cover topics including: miscellaneous cases, new registration and confirmation cases, divisions of

registration, condominiums, subsequent petitions, and tax cases.

Drones – A User's Perspective

TBD, WSP

This session will feature experienced users discussing licensing logistics, abilities and accuracies.

Zoning Reform

Judi Barrett, Barrett Planning Group LLC

This session will provide an overview of bills currently in the legislature to promote more housing growth in Massachusetts and update both the Zoning Act (Chapter 40A) and the Subdivision Control Law (Chapter 41, Sections 81K-81GG).

MALSCE Proprietors' Council Roundtable

Moderated by Michael Feldman, Feldman Land Surveyors

Be sure to take advantage of this opportunity to participate in a MALSCE Proprietors' Council meeting discussion of opportunities and challenges impacting the business of land surveying.

Saturday, March 3, 2018

Land Surveyors Liability – Things that Go Bump in Your Surveys

Attorney Michael Pill, Green Miles Lipton, LLP

Topics for this half-day program will include "public ways", county highway records research, effect of the new 250 CMR, malpractice, mortgage plot plans, and types of property lines.

PLS and SIT Refresher Courses

These full-day (8:00 AM - 5:00 PM) review courses are for Surveyor in Training and Professional Land Surveyor candidates who will be taking the Fundamentals of Surveying or the Professional Land Surveyor Exams.
