**5:30 PM Social/Registration; 6:30 PM Dinner; 7:15 PM Presentation**

Join us as we celebrate the civil engineering profession and the dedication of professionals and young individuals who have strived for excellence this year. We will be honoring the student winners of the Ralph Salvucci Online Bridge Contest, the Model Bridge Competition, and the New England Regional Future City Competition. This year's Herzog Award winner will be revealed at the dinner and there will be a presentation of the winning paper by the author. ASCE President Robin A. Kemper will deliver the dinner's keynote address.

The Ralph Salvucci Online Bridge Competition provides middle school and high school students with a realistic, engaging introduction to engineering. The contest is open to all students in grades 6-12. Students use free software to design the cheapest bridge that can carry the truck. When you click on the truck button, your design comes to life and if it can't make it – CRASH!
