Casey Arborway Construction Tour & Networking Social

Thursday, November 2nd, 2017

4:00 PM Site Tour

Forest Hills Station Bicycle Cage - Washington Street, Jamaica Plain, MA
(PPE Required – Boots, Hardhats, and Vests)

5:30 PM Fall Social Networking Event

Doyle's Café, 3484 Washington Street, Jamaica Plain, MA

Join the Construction Institute Boston Chapter and the Transportation & Development Institute Boston Chapter for a tour of the ongoing Casey Arborway Construction Project in Jamaica Plain, MA. The tour will be led by HNTB Corporation, the lead firm for the planning, design and construction phases, and the contractor, Barletta Heavy Division, Inc. The \$74,000,000 project includes the demolition of the Casey Overpass and subsequent at-grade reconstruction of Arborway. The project is expected to create 1.3 Acres of new parkland, 3 miles of bicycle paths and lanes, and 3+ miles of pedestrian areas. A new MBTA Head-House (Entry and Exit) will also be constructed to provide access to Orange Line trains. Following the site tour, join us for a networking event at Doyle's Café on Washington Street in Jamaica Plain.

Registration Deadline: Monday, October 30th, 2017

This event is free to attend. Space is limited to 30 attendees for the site tour. Complimentary appetizers will be provided as part of the networking social.

For additional information and to RSVP for this event, please email tdi.bsces@gmail.com.
