- Integrated surveying
 - Entering new markets
 - Research
 - Building a business plan
- Project Examples - ROI
- Surveying specific examples
- Nontraditional examples
- Potential for using mobile lidar collection in a project

Bruce Marquis, PLS Biography

Been a member of the surveying industry for 33 years and a Practicing Professional Land Surveyor for 24 years, holding licenses in Maine and Utah. Graduate of the Civil Technology program of the Thompson School of Applied Science. Awarded first terrestrial laser scanning project 10 years ago, scanning a Dry dock at the Portsmouth Naval shipyard. Since that point the use of reality capture became an integral part of many successful projects, capturing bridges, roadways, steel infrastructure, boats, buildings, utilities and surgery rooms. Have been serving as the Northeast Reality Capture Consultant for Leica Geosystems for the last two years.

2019 RISPLS PLAN CONTEST

Contest Rules

1. Must be a plan of RI, dated between November 2018 and November 2019.
2. Entries must be un-mounted blue or black line prints.
3. Plans must be 1 sheet (no multiple sheets or sets)
4. Each entry must be accompanied by an entry form.
5. No plans will be accepted after the submission deadline (10:00 am November 22, 2019)
6. Check Awards will be mailed.
7. All decisions are final. Award-winning entries and the results will be displayed at the Convention.
8. All entries will become the property of RISPLS, Inc., and will be disposed of after award presentation.

Awards

Awards will be presented to the first place winners and announced for the second and third place winners in each category.

First Place-----\$100.00

Second Place-----\$ 50.00

Third Place -----\$ 25.00

Judging

All entries will be checked for compliance with the Procedural and Technical Standards for the Practice of Land Surveying in the State of Rhode Island and Providence Plantations as adopted by the Board of Registration. No plan will be judged if it does not comply with said Standards.

The plan shall be judged and voted on the following:

- Overall appearance, neatness, balance and consistency.
- Lettering - clear and unmistakable.
- Completeness (deed reference, plan references, areas, old property lines, monuments, etc)
- Qualifying notes or statements (clearly and unmistakably stated)
Signatures and seals.

Plan Categories

Plan Categories (Property Line, Subdivision, Site Plan) will be judged using either mechanical or freehand methods.

Entry Form (please print)

Title of Plan:	Category:
Name of Preparer:	Company Name:
Company Address	Company Phone#
