MassDOT LRFD Bridge Manual Workshop

Alexander K. Bardow, PE

State Bridge Engineer, Massachusetts Department of Transportation

Joseph P. Gill, PE

President, Gill Engineering Associates, Inc.

Bryan Busch, PE

Director of Structural Engineering, CME Associates, Inc.

Monday, May 16, 2016

Transportation Building, 10 Park Plaza, 2nd Floor, Conference Room Nos. 2 and 3, Boston, MA
8:15 AM Registration; 8:30 AM Start; 12:00-1:00 PM Lunch; 4:30 PM Adjourn

This workshop is an encore of the Fall 2014 workshop of the same name and is geared towards younger practicing members currently designing bridges for MassDOT. It will primarily focus on how to design bridge elements using Part I of the 2013 MassDOT LRFD Bridge Manual. The workshop is intended to provide an overview of the significance, and the rationale behind the changes including: new methods for dead load distribution, seismic design, bearing design, and integral abutment design. It will also include discussion on certain items that may be re-evaluated and modified for inclusion in future Bridge Manual revision(s), and the reasoning for those changes.

A morning and afternoon refreshment will be provided. Lunch will be the attendee's responsibility.

Registration Deadline: Wednesday, May 11, 2016

\$50 Members, \$65 Non-Members

\$40 Public Sector Members, \$45 Public Sector Non-Members

\$20 Student Members and Senior Members (65+)

Information/Registration:

Register to attend this meeting and pay by credit card online at <http://bit.ly/SEI051616>. To register online for an event at the BSCES member rate you must login using your BSCES assigned username and password. If you do not know your BSCES member login information call 617/227-5551. You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions. Cancellations received after May 11, 2016 and no-shows will be billed.
