Boston’s Secret Bridge and More – Massport’s Thomas J. Butler Freight Corridor Project

Sam Sleiman, PE, CCM

*Director, Capital Programs & Environmental Affairs,
Massachusetts Port Authority*

Wednesday, November 9, 2016

Wyndham Boston Beacon Hill, 5 Blossom Street, Boston, MA 02114
6:00 PM Registration, Social & Dinner; 7:15 PM Presentation

The Massachusetts Port Authority (Massport) is undertaking a major expansion and modernization of its Paul W. Conley Terminal in South Boston, New England’s premier container port facility. The first stage of the project – the *Thomas Butler Dedicated Freight Corridor and Buffer Open Space*, is now well into construction. It consists of improvements which will mitigate impacts of current and future operations on the abutting neighborhoods, provide tangible benefits to the larger community, and demonstrate Massport’s commitment to being a good neighbor.

The major project elements include a new 2/3 mile roadway that will remove nearly 1,000 container truck trips per day from East First Street and a nearly 4-acre public open space which will buffer residences from the new roadway and expanded terminal. The buffer space will be heavily landscaped and includes a multi-use path, providing a new linear open space connection to existing parks along the Harbor. The project also includes a relative rarity within Boston city limits: a significant new over-water roadway crossing, on a new alignment.

Please join us to learn more about the bridge, the roadway, the park, and other elements of this exciting – yet somewhat “under the radar” project.

Registration Deadline: Friday, October 30, 2016

\$95 Members, \$80 Public Sector Members, \$35 Student and Senior (65+) Members
\$95 Public Sector Non-Members, \$120 Non-Members

Information/Registration:

Register to attend this meeting and pay by credit card online at <http://bit.ly/SEI-110916>. To register online for an event at the BSCES member rate, you must login using your BSCES assigned username and password. If you do not know your BSCES member login information, call 617/227-5551. You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions. Cancellations received after October 30, 2016 and no-shows will be billed.
