8:15 AM – 8:30 AM Welcome Remarks

Prabal Chakrabarti, Federal Reserve Bank, Senior Vice - President and Community Affairs Officer

8:30 AM – 10:00 AM Speaker Presentations

Moderator: *William F. Lyons, Jr. PE*

Purple Line Light Rail Project - *Joseph Aiello, Meridiam Infrastructure*

- The Maryland DOT and the Maryland Transit Administration pursued an innovative solicitation approach with the Purple Line. The State competitively solicited a single private partner (concessionaire) who will be responsible for designing, constructing, operating and maintaining the project, and the private partner will also help finance a portion of construction. See <http://www.purplelinemd.com/en/about-the-project/project-overview>

Long-Term Economic Analysis of Large Projects - *Stephen Fitzroy, EDR Group*

- A recent Economic Report on the Texas Central High Speed Rail Project highlighted the impact of the project on the State of Texas through 2040. The results showed a positive impact of \$36.3B. Mr. Fitzroy will describe some similar long term economic impact analysis for large projects closer to Massachusetts and New England.
