

Volunteer with the Younger Member Group!

Canoeing for Clean Water

With the Charles River Watershed Association
Tuesday August 7, 2018

Water chestnuts grow in excess along the Charles River due to high phosphorus levels. Mechanical harvesting cannot be used in shallower waters, so the CRWA relies on the help of volunteers each year to help remove the invasive species.

On Tuesday, August 7, 2018 we will be canoeing and hand-pulling the water chestnuts as a part of this yearly volunteer program!

5:00 PM – 7:30 PM

Charles River Canoe & Kayak
455 Nahanton St, Newton, MA

To Register - Email:

ymg@bsces.org

Registration Deadline: Tuesday, July 31, 2018

Space is limited, first come first serve!
