Thursday, April 6, 2023

12:00 PM - 1:00 PM

Zoom Webinar

Come learn about leveraging MS Teams to make your work more effective and increase efficiency! Three seasoned BSCES members representing different aspects of our industry will provide unique examples of how they successfully adopted Teams to improve on existing processes.

This webinar will present the following examples:

1. Project Workflow, Bridge Inspections, by Reed Brockman, AECOM
2. Document Sharing, Communication, and Collaboration in Construction, by Chris Hersey, Suffolk Construction
3. Using Teams for Business Development and Proposal Preparation, by Mike Cunningham, Kleinfelder

The presentation will be followed by a question-and-answer session.
