Moving Boston: Creating Safer Streets for All Modes of Transportation

William Moose

Transportation Planner, City of Boston

Kate England

Director of Green Infrastructure, City of Boston

Wednesday, November 16, 2022

8:30 AM Networking/Registration, 9:00 AM Presentation

Arup, 60 State Street, 10th Floor, Boston, MA 02109 and remotely via Microsoft Teams Webinar

The City of Boston Transportation Department (BTD)'s vision is for Boston's streets to be safe, inclusive, and vibrant by planning, building, maintaining, and operating our streets in a manner that increases access to opportunities, promotes safety and resilience, and fosters the highest quality of life for everyone living, working, and visiting the city.

Mr. Moose will discuss BTD's current transportation goals and how they tie in with Mayor Wu's initiative to create safe streets for all modes of transportation by expanding Boston's bike network, growing public bike share (Bluebikes), and more. Ms. England will talk about how BTD's work and new initiatives will tie in with development responsibilities in the city. This will be a hybrid event: hosted live at Arup's Boston office for in-person attendees and virtually on Microsoft Teams for remote participants.

Registration Deadline: Friday, November 11, 2022

In-Person

\$55 Members, \$65 Non-Members
\$50 Public Sector Members
\$55 Public Sector Non-Members
\$20 Senior Members (65+) & Students

Remote Access

\$45 Members, \$55 Non-Members
\$40 Public Sector Members
\$45 Public Sector Non-Members
\$15 Senior Members (65+) & Students

Information/Registration:

Register to attend this meeting and pay by credit card online [here](#). To register online for an event at the BSCES member rate you must login using your BSCES assigned username and password. If you do not know your BSCES member login information call 617/227-5551. You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions. Cancellations received after November 11, 2022 and no-shows will be billed.

Please note that an inherent risk of exposure to COVID-19 exists anywhere other people are present, and even precautionary measures such as masking and social distancing cannot completely eliminate this risk. The Boston Society of Civil Engineers Section/ASCE (BSCES) encourages any person attending a Society-sponsored in-person activity to be fully vaccinated against COVID-19. In addition, any person who chooses to travel to and/or participate in any BSCES in-person activity assumes all risks arising from that decision. All participants must agree to comply with all safety procedures established by the Centers for Disease Control and Prevention (CDC) and the Commonwealth of Massachusetts as well as any other protocols put in place by BSCES, the host sites, travel facilities, or any other applicable authorities.
