

Thursday, June 29, 2023

Royal Sonesta Boston

40 Edwin H Land Boulevard, Cambridge, MA 02142

5:00 PM Registration & Reception; 6:00 PM Keynote Address, Dinner & Awards Program

Katherine Antos is the Undersecretary for Decarbonization and Resilience at Massachusetts Executive Office of Energy and Environmental Affairs. She leads efforts to reduce greenhouse gas emissions and achieve Net Zero by 2050, equip people, environment, and infrastructure to adapt to climate change, and ensure meaningful involvement and access to benefits of the clean energy transition for Environmental Justice communities.

Ms. Antos previously served as the Deputy Executive Director for Planning & Sustainability at the Metropolitan Area Planning Council (MAPC), where she oversaw the Clean Energy, Environment, Land Use, Transportation and Arts & Culture Departments' plans, technical assistance, and initiatives to advance a more resilient Greater Boston region. She oversaw priority initiatives to advance watershed restoration, environmental education, workforce development, community engagement, climate mitigation and resilience, and urban agriculture at Washington, DC's Department of Energy and Environment as the Senior Policy Advisor to the Director and the Chief of the Partnering and Environmental Conservation Branch. Ms. Antos worked with community-based organizations and the Urban Waters Federal Partnership to guide watershed restoration and waterfront priorities along the Anacostia River. She received national recognition for her work at the U.S. Environmental Protection Agency's Chesapeake Bay Program Office to establish and oversee an accountability framework for ecosystem restoration across six states and the District of Columbia.

Keynote Speaker:

Katherine Antos

Undersecretary for
Decarbonization and Resilience
