# MassDOT District 3 Headquarters Tour

**Thomas Emerick**

*Deputy District Highway Director, MassDOT District 3*

**Thursday, March 30, 2023**

**MassDOT District 3 Headquarters, 499 Plantation Parkway, Worcester, MA 01605**

**10:45 AM Check-In, 11:00 AM Tour, 12:30 PM Lunch/Networking**

Mr. Emerick will lead the group on a tour of the newly constructed (2019) and operated District 3 Headquarters in Worcester, Massachusetts. The four story, 78,000 square foot building is uniquely built into a natural slope. The slope accommodates parking facilities both on top of and below the building structure, while also helping the building blend into its surroundings. The building was designed as a Net Zero Energy Building, including things such as solar arrays above parking areas and on the roof of the building.

Following the tour, guests will meet in the Atrium for a light lunch and networking.

**This tour has a limited capacity of 25 people.**

**Registration Deadline: Friday, March 24, 2023**

**\$25 Members, \$35 Non-Members**

## Information/Registration:

Register to attend this meeting and pay by credit card online [here](#). To register online for an event at the BSCES member rate you must login using your BSCES assigned username and password. If you do not know your BSCES member login information call 617/227-5551. You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions. Cancellations received after March 24, 2023 and no-shows will be billed.

*Please note that an inherent risk of exposure to COVID-19 exists anywhere other people are present, and even precautionary measures such as masking and social distancing cannot completely eliminate this risk. The Boston Society of Civil Engineers Section/ASCE (BSCES) encourages any person attending a Society-sponsored in-person activity to be fully vaccinated against COVID-19. In addition, any person who chooses to travel to and/or participate in any BSCES in-person activity assumes all risks arising from that decision. All participants must agree to comply with all safety procedures established by the Centers for Disease Control and Prevention (CDC) and the Commonwealth of Massachusetts as well as any other protocols put in place by BSCES, the host sites, travel facilities, or any other applicable authorities.*

**This presentation provides 1 Professional Development Hour (PDH)**
