ESSAY

You will need to write several essays in advance to load onto the platform.

Essay 1: *The American Council of Engineering Companies (ACEC) represents thousands of companies comprised of more than 600,000 engineers, architects, land surveyors and other specialists. Our member firms contribute engineering solutions to present and future challenges happening around the world. ACEC Research Institute is the leading source of knowledge and thought leadership for creating a more sustainable, safe, secure and technically advanced built environment. We aim to inspire future generations to solve the world's most challenging problems through engineering.*

Describe how consulting engineering firms provide value to their clients and long-term benefits to their community. Your personal interest in and understanding of the engineer's role in all aspects of the built environment are important and should be reflected in your essay.

Please limit your response to 500 words

Essay 2 (need-based): If applying for the ACEC MA needs-based scholarship, please share in an essay below how are you financing your education? What impact financial assistance from the ACEC/MA Education Corporation will have on you, both present and future?

Please limit your response to 500 words

Essay 3 (need based): *If applying for a Kimley-Horn or Stanley Consultants needs-based scholarship, please share in an essay below, how a STEM Scholarship will help you meet your goals (short and long-term) and impact your life?*

Please limit your response to 250 words

Essay 4: *Is there anything else that you would like for us to know about you, e.g., awards and achievements, course projects, etc.?*

Please limit your response to 250 words

You will be asked to give Permission To Release or Validate Information online and sign the application form online.

By signing this application, I authorize ACEC Research Institute and ACEC state Member Organizations to confirm and/or release any information included on this application.

I have reviewed this application and I recommend the student for consideration.

Your application into the 2023-2024 Scholarship Program is NOT complete without a recommendation from a consulting engineer, land surveyor or engineering professor.

The evaluator must use the official recommendation form found here:
https://form.jotform.com/222494699330060

This document is a sample of what they will be asked to provide.

The ACEC Research institute will forward applicable recommendations to the ACEC State Member Organization (in this case, ACEC/MA Education Corporation) directly.

Again, this Scholarship Recommendation Form is a separate online form that the person should complete for you on:
