Friday, January 27, 2023

The Conference Center at Waltham Woods

860 Winter Street, Waltham, MA 02451 (just off I-95, exit 43B)

7:30 - 8:00 AM Registration; 8:00 AM - 4:00 PM Seminar

This program will simultaneously be presented as a Zoom Video Webinar and recorded

Don't miss this popular seminar examining legal issues impacting the land surveying profession. This year's seminar will feature the same insightful analysis of recent legal interpretations of surveys by Massachusetts courts and related matters that is the hallmark of this program. Attorneys from Englander & Chicoine P.C. and other notable land use practitioners will discuss topics that will enable you to create a more effective survey, which may help parties avoid litigation or prevail on disputed claims. Learn why this is MALSCE's most popular seminar year after year.

*Please note that an inherent risk of exposure to COVID-19 exists anywhere other people are present, and even precautionary measures such as masking and social distancing cannot completely eliminate this risk. Any person who chooses to travel to participate in this in-person Massachusetts Association of Land Surveyors and Civil Engineers (MALSCE) seminar assumes all risks arising from that decision. All participants must agree to comply with all safety procedures established by the Commonwealth of Massachusetts and Centers for Disease Control and Prevention (CDC) as well as any other protocols put in place by MALSCE, the host sites, travel facilities, or any other applicable authorities. These precautions currently include an expectation that all seminar registrants who plan to attend are self-attesting that they are fully vaccinated against COVID-19. These requirements may be updated between now and the seminar.*
