

2024 Professor Peter S. Eagleson Memorial Scholarship Application

Deadline: Friday, April 12, 2024

The Boston Society of Civil Engineers Section of the American Society of Civil Engineers (BSCES), a non-profit organization, dedicates itself to:

- being stewards of infrastructure,
- assuring that our built environment is well attended to serve the needs of the public, and
- assuring our natural environment is given the needed attention to sustain for future generations.

Visit our website, www.bsces.org, to learn more including how you can qualify for a free Student Membership.

The intent of the Professor Peter S. Eagleson Memorial Scholarship is to provide aid to those that come from backgrounds that are under-represented in the civil engineering profession. This scholarship is overseen by the BSCES Diversity, Equity and Inclusion Committee for the benefit of eligible BSCES [Student Members](#) who are accepted for admission or enrolled in an undergraduate civil engineering program at a Commonwealth of Massachusetts college or university. This scholarship has a total value of \$20,000, which will be awarded in two yearly payments of \$10,000. This award may be used for tuition, books, housing, or other needs. To help ensure academic success, a BSCES leader will work with the recipient to provide academic and professional mentoring.

Eligibility

Eligible applicants must meet the following requirements:

1. You must identify as a woman and/or racial or ethnic minority (e.g., African American or Black, American Indian/Alaska Native, Asian, Hispanic/Latino, Native Hawaiian or another Pacific Islander).
2. You must be attending a Massachusetts college or university and accepted for admission or currently enrolled in an [ABET](#) accredited program for a bachelor's degree in civil engineering.
3. You must have at least three additional semesters of classes remaining before graduation.
4. You must become a BSCES Student Member before receiving a scholarship payment.

How to Apply

Assemble the application in the following order. *Do not staple or use a report binder.*

1. Student Scholarship Application Form (the application is a fillable form). An online version of this application is available [here](#).
2. Two Recommendations
 - a. One letter of recommendation must be from college/university faculty.
 - b. The second letter of recommendation may be from anyone you choose, such as a teacher or employer (excluding family members).
3. Essay (maximum 500 words, see page 2 of the Application Form for details)
4. One copy of official your college or university transcript
5. Statement of Financial Need (maximum one page) and copy of your completed [Federal Student Aid FAFSA Form](#) for the first school year that you are seeking the scholarship.

Your application must be postmarked no later than Friday, April 12, 2024 and mail with the above items to:

Professor Peter S. Eagleson Scholarship
Boston Society of Civil Engineers Section/ASCE
One Walnut Street
Boston, MA 02108-3616

Your application can also be emailed to bsces@engineers.org.

Evaluation Criteria

Eligible scholarship applicants will be rated on the basis of grade point average, financial need, volunteer activities, other commitments or obligations (e.g., employment, family care, military service, etc.), submitted essay, and letters of recommendation. Finalists will also be rated on the basis of an interview.

If you have any questions during the application process, please contact: bsces@engineers.org or call 617/227-5551.

Honors and Scholarships <i>These may or may not be academic-related. Submit additional sheet if necessary, using this format.</i>			
Date of Award	Sponsor	Name of Award	Award Description

Essay: The essay should discuss your interest in engineering, your proposed major or area of study and area of specialization, and the occupation you propose to pursue after graduation. What are your long-term goals and how do you hope to achieve them? The essay may also include any other information that is relevant to your career plans. The essay should be a typewritten or computer- printed essay of no more than 500 words. Please put your intended major at the top of the page.

Statement of Financial Aid (one page): Clearly state, providing any needed financial statistics, your need for the scholarship. Discussion may include: (1) any sources of financial assistance, be it loans, family, etc., (2) any earned income through work along with the time commitment of that work, (3) any financial burdens you will take on that you are unsure how they will be covered, and (4) any other financial burdens you have taken on.

Required Information <i>Applications without required signature will be disqualified.</i>
