This program will simultaneously be presented as a Zoom Video Webinar and recorded

Don't miss this popular seminar examining legal issues impacting the land surveying profession. This year's seminar will feature the same insightful analysis of recent legal interpretations of surveys by Massachusetts courts and related matters that is the hallmark of this program. Attorneys from The Wagner Law Group and other notable land use practitioners will discuss topics that will enable you to create a more effective survey, which may help parties avoid litigation or prevail on disputed claims. Learn why this is MALSCCE's most popular seminar year after year.

Confirmed seminar presenters include Edward Englander from The Wagner Law Group, Denise Chicoine also from The Wagner Law Group, Melanie Kido from CATIC, Stephen LaMonica from Massachusetts Land Kathleen M. O'Donnell, Esq., and Paul Tyrell from HDR.

Please note that an inherent risk of exposure to COVID-19 exists anywhere people gather.
