## Survey Input Sought from EOEEA

The National Park Service requires the Commonwealth of Massachusetts to complete a Statewide Comprehensive Outdoor Recreation Plan every five years to remain eligible for funding from the Land and Water Conservation Fund grant program. EOEEA would like our input. Since the program was established in 1965, more than \$100,000,000 has been awarded statewide to projects in every county in the state for the acquisition of conservation and park land, development of new parks, or renovation of existing parks.

The Executive Office of Energy and Environmental Affairs Survey is Due by October 31, 2022.
