Engineers and Land Surveyors Virtually @ the State House

Earlier this week, leaders of ACEC/MA, BSCES, and MALSCCE held Zooms with State Rep. Mindy Domb, Acting Chair, Joint Committee on Environment, Natural Resources and Agriculture and State Senator Jamie Eldridge, Vice Chair, Joint Committee on Environment, Natural Resources and Agriculture to discuss key legislative issues.

The \$9.75B infrastructure bond bill that cleared the Transportation Committee earlier this week includes our Dig Safe language, a direct result of our advocacy on this important safety issue.

You can still sign up to participate in meetings with your own legislators on our key issues and help this Dig Safe language keep moving forward in the legislative process.
