

2025 ACEC/MA Annual Corporate Sponsorship

Respond Now to Take Full Advantage of Programs starting in January 2025 for CY 2025

ACEC/MA, the American Council of Engineering Companies of Massachusetts, is planning a dynamic array of member programs for Calendar Year 2025. Based on the past enthusiasm for Annual Corporate Sponsorship, ACEC/MA is offering member firms the opportunity to **become a 2025 ACEC/MA Corporate Sponsor** by sponsoring 7 (seven) events with a single payment.

ACEC/MA Corporate Sponsorship provides member firms the convenience of one upfront payment to enjoy multiple registration benefits & opportunities throughout the year—a significant package savings over sponsoring events individually. Additionally, sponsorship demonstrates your firm's professional commitment to ACEC/MA's vision: ***"To lead with our knowledge and expertise and to be the voice of the engineering industry for the benefit of society and the natural and built environment."***

ACEC/MA work for our members includes:

- Promoting the business interests of the engineering industry to Congress, federal agencies and international organizations;
- Supporting state legislation, regulations, and policies that create a favorable business climate for engineering and land surveying firms;
- Promoting Qualifications Based Selection at all levels of public and private sector procurement; and
- Providing business practice resources, leadership education courses, and programs for the engineering and land surveying industry.

ACEC/MA's **2025 Corporate Sponsorship** package includes **7 ACEC/MA monthly programs, most of which will be in person with a hybrid option while others will be virtual.** ACEC/MA may offer other programs not covered by this Corporate Sponsorship. Our Leadership Education courses are not included in this sponsorship.
