## [DSB to Accept Applications Through Autocene System on 7/1 Full Transition to Autocene for Application Expected by 10/1](#)

The MA Designer Selection Board recently announced: starting 7/1, they will accept applications through Autocene. As of 10/1, they will only accept applications through Autocene. This is a major change.

On 4/28, ACEC/MA's Building Engineering Committee met with the MA DSB and Autocene about the system. We urge ACEC/MA Members to set up a firm profile in this system, even if you do not currently do DCAMM/Charter School work; let us know if you have any concerns.
