ACEC/MA Testifies on 2 Climate Resiliency bills

Last week, ACEC/MA testified in support of 2 bills related to Climate Change that would help municipalities protect infrastructure.

This week, we are pleased to feature an article by State Representative Carolyn Dykema (D-Holliston) on [H.3846, An Act relative to GreenWorks](#). Next week we'll focus on [S.10, An Act providing for climate change adaptation infrastructure investments in the Commonwealth](#)

House's "GreenWorks" Climate Legislation, H.3846
 By State Representative Carolyn Dykema
 Climate change is a significant and growing concern with wide-ranging impacts, and although the Commonwealth remains a leader in several areas including energy efficiency, there is growing urgency for more aggressive policy.

Speaker DeLeo announced a new "GreenWorks" grant proposal to invest \$1 billion over the next 10 years to help communities across Massachusetts adopt technologies - including clean energy, energy efficiency, and climate change resiliency measures - that cut greenhouse gas emissions, fortify infrastructure and reduce municipal costs.
