Government Affairs

US House: On 7/1, the House passed its 5-year, \$1.5T infrastructure package, the Moving Forward Act. The final vote was largely along party lines, 233-188 with 3 Republicans voting yes and 2 Democrats voting no. The overall bill is a non-starter in the Republican-led Senate, but we hope it will unlock bipartisan progress on a surface transportation reauthorization, water resources development, and other initiatives.
