ACEC Action Alert: COVID Economic Relief Package - Fall 2020

Support State and Local Aid and Other
Key Provisions to Promote Sustained
Economic Recovery

Your action needed by **September 8** to highlight urgent
industry priorities in legislation to support the nation's
economic recovery.

The situation at the state and local level is truly dire.
Due to COVID, sales and corporate and personal
income tax receipts have plummeted while
unemployment and health costs have skyrocketed.
Massachusetts is facing a revenue decline of at least
20% in FY21.

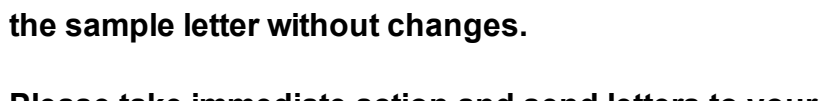

**Contact Your US Representative and 2 US
Senators** - Log in with your email address and zip
code to open a sample email. Click on the lawmaker's
name to edit the message. You can personalize your
email with firm-specific information and details about
program cuts in Massachusetts or you can also send
the sample letter without changes.

Please take immediate action and send letters to your
US House Rep. and 2 US Senators (Markey and Warren).
Our ACEC advocates in Washington, DC have been
working hard throughout this pandemic to seek funding for
infrastructure, and relief through the Payroll Protection
Program (PPP).
