ASCE Massachusetts Infrastructure Report Card Training and Kickoff – Free to Attendees

Josh Shumaker

Director, Policy Research & Industry Relations, ASCE

Monday, November 18, 2024

Kleinfelder Offices, One Beacon Street, Suite 8100 Boston, MA 02108

2:30 PM - 5:30 PM Presentation, Social Hour at the Beantown Pub following the event

ASCE offers this training to infrastructure professionals and students interested in supporting or amplifying its infrastructure report card – the organization’s flagship tool for advocating at the local, state, and federal levels. Over 2.5 hours, attendees will receive instruction on the importance of engineers, other infrastructure professionals, and stakeholders adding their voices to the ongoing public debate about improving interconnected systems across 18 infrastructure categories in transportation, water, energy, and telecommunications. The second half of the kickoff session will provide attendees with best practices for state report card success – from preliminary research through the release press conference and government relations outreach. Stick around after the event for a social hour at Beantown Pub!

Registration Deadline: Thursday, November 14, 2024

Information/Registration:

Register to attend this meeting by entering your contact information [here](#).

You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions.
