

Grid Modernization in the Commonwealth

*Rep. Jeffrey Roy (10th Norfolk)
House TUE Chair*

Projected Emissions vs Net Zero Trajectory

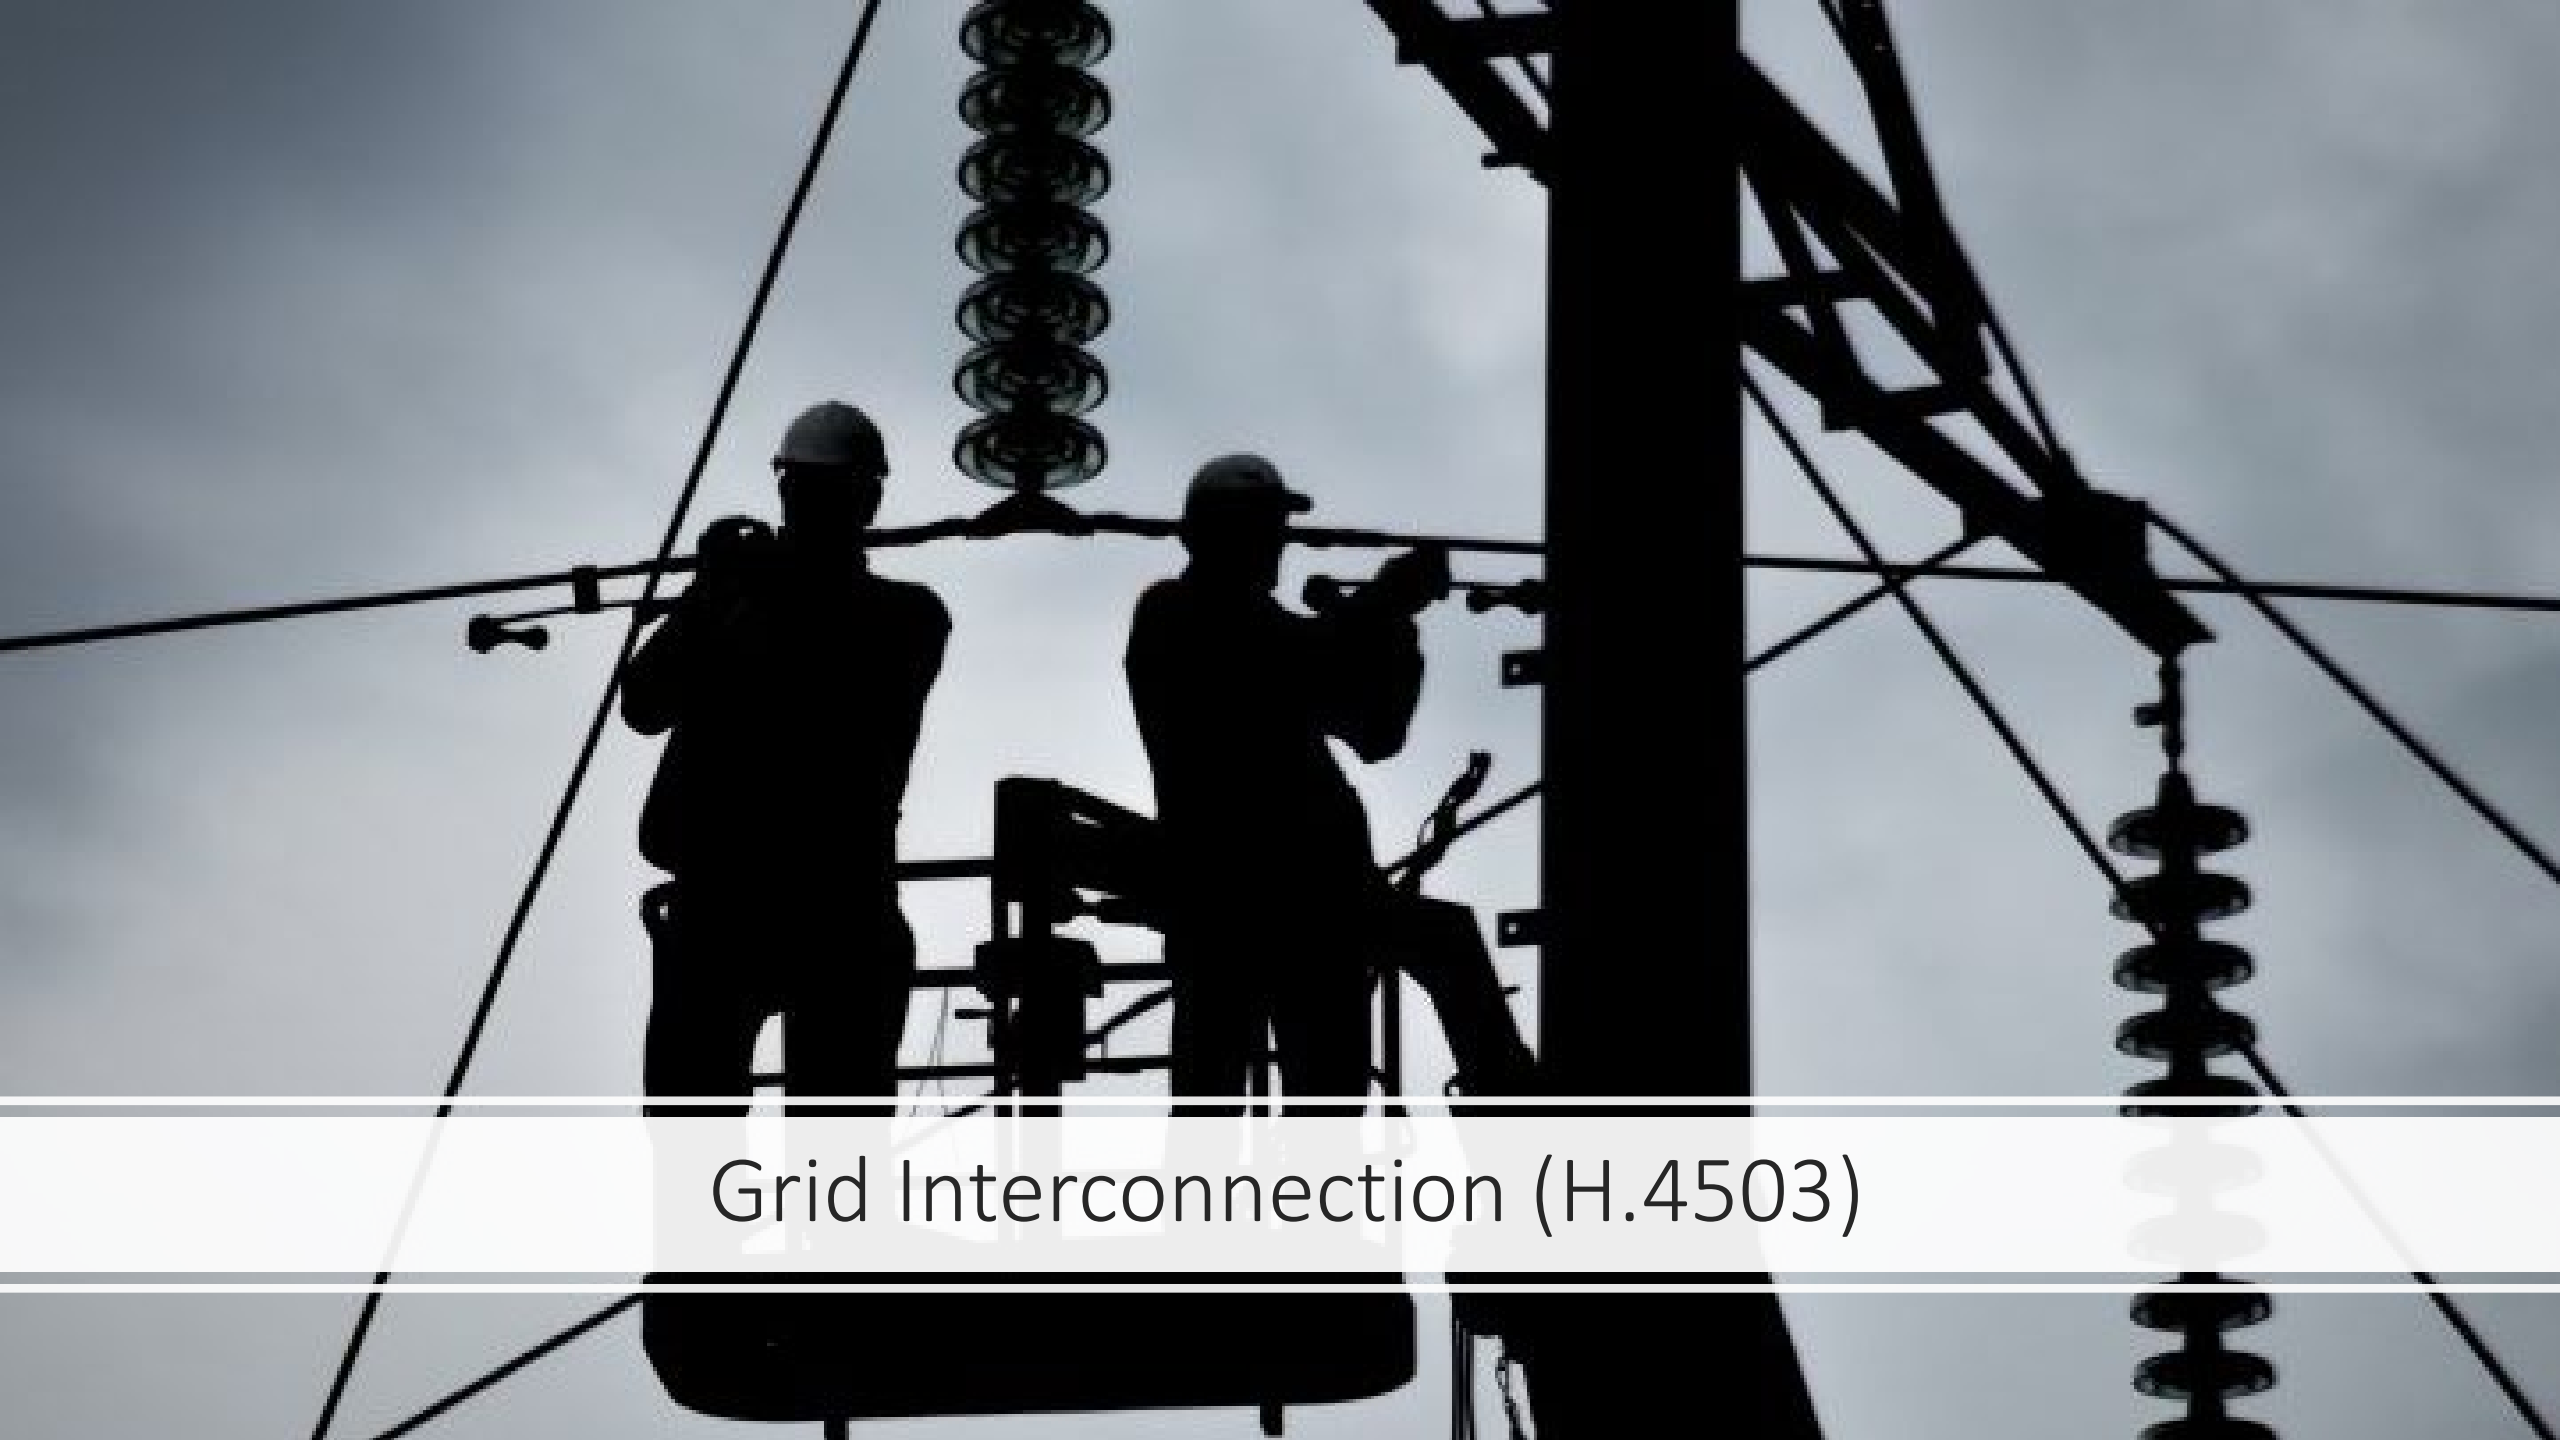

*H.4502, An Act to promote
transportation
electrification infrastructure*

*H.4503, An
Act relative
to clean energy
generation*

Grid-Enhancing Technologies (H.4503)

Grid Interconnection (H.4503)

Siting and Permitting Reform

A nighttime photograph of a city skyline. In the foreground, a large, multi-story brick building with many lit windows is visible. Above it, a highway with yellow lights curves through the city. The background features several tall skyscrapers, some of which are brightly lit. The sky is dark, and the overall scene is illuminated by city lights.
