## 2022-2023 MALSCCE Proprietors' Council Help Shape the Future of MALSCCE and our Professions

Demonstrate your support while helping us ensure that MALSCCE is an exciting association for all people in the land surveying and civil engineering professions. Join the growing list of MALSCCE members who represent their firm as a member of the MALSCCE Proprietors' Council. You will have the opportunity to work with your fellow leaders from across the Commonwealth to define the direction of our great association. There are also opportunities to hear from clients and bounce ideas off of peers regarding staffing, business opportunities, marketing and sustainability in our industries.

This continues to be an extremely exciting time and we need you to be at the table with us!

MALSCCE Proprietors' Council membership benefits include:

- being part of a council that serves as an advisory organization to the MALSCCE Board of Directors;
- receiving periodic invitations to council meetings where business matters, government affairs and the challenges and opportunities impacting MALSCCE as well as the land surveying and civil engineering professions are discussed;
- having your firm's contact information with a website link listed on the Land Surveying Information for Property Owners section of the MALSCCE website. Homeowners and others who contact MALSCCE looking to find a land surveyor are referred to this list.

In addition to paying the current year's MALSCCE dues, Proprietors' Council members pay annual Proprietors' Council dues, which help MALSCCE provide an expanding array of member benefits. Since larger firms have demonstrated a willingness to offer MALSCCE increased financial support, the MALSCCE Proprietors' Council employs a three-tiered dues structure based on the number of land surveying and geospatial employees. Firms with five or less employees of this type pay \$105; those with six to 15 pay \$265; and those with 16 or more pay \$525. This dues payment entitles your company to membership in the Proprietors' Council through June 30, 2023, as well as the Proprietors' Council membership renewal period which last until the fall of 2023. To join or rejoin the Proprietors' Council complete and email, fax, or mail the form below with payment.
