

**BSCES Public Awareness & Outreach Committee
Fall 2015 Volunteer Call**

Future City Mentors

Future City teams are signing up to compete in this year’s Future City Competition (January 16, 2016). We are looking for engineers to mentor the teams! Mentoring consists of advising the students on how to design a successful city. This year’s theme is Solid Waste. Ideally, you will be able to work with the kids and provide advice throughout the project. This may happen in person, via email, or even Skype. Typically, most engineers devote approximately 12-14 hours from September to January. Please contact Olivia Richards at oliviaannerichards@gmail.com if you are interested! The competition will be January 16th. If you cannot mentor this year, we will need judges for competition day as well.

Future City Competition Day, January 16, 2016

Overview: Competition day for all teams to present model cities

Location: MassDOT Headquarters, 10 Park Plaza, Boston, MA

Time: 8:00 to 3:00pm

Looking for: Engineering Volunteers to be judges on competition day (model judges, presentation judges, or special awards judges). We are also looking for judges to score online essays prior to competition day.

Model Bridge Mentors

Model Bridge teams are starting to sign up for the BSCES Model Bridge Competition. We need engineers to mentor these teams! Mentoring consists of advising the students while they design a small scale bridge with the specified materials. The competition begins at the end of October. Ideally, the mentor will be able to work with the kids and provide advice throughout the project. This may happen in person, via email, or even Skype. Typically, most engineers visit the school weekly or every other week from November to January. Please contact Olivia Richards at oliviaannerichards@gmail.com if you are interested! The competition will be held on February 6th.

Team Locations	
Model Bridge Competition	Future City Competition
