

Professional Engineer Refresher Course Fall 2022 Schedule

The BSCES Professional Engineer Refresher Course consists of twelve classes covering both the breadth and depth portions of the five Civil Professional Engineer Exams. Due to the coronavirus pandemic the fall course will be held virtually over Zoom. Plans are underway to record each class for participant viewing during the course. Refresher course lectures are scheduled for Tuesday and Thursday evenings from 7:30 - 9:30 PM except for the initial session which runs from 7:30 - 10:00 PM. Due to changes in instructor availability, it may be necessary to schedule make-up sessions on prearranged "Open" dates, which include Tuesday, 09/07 and 10/19 and Thursday, 9/16.
