

Fall 2023

Virtual Professional Engineer Refresher Course

The BSCES Professional Engineer Refresher Course consists of twelve classes covering both the breadth and depth portions of the five Civil Professional Engineer Exams. Course instructors will present their classes virtually over Zoom. Each class will be recorded and distributed for participant viewing during the course. By registering for this course, you agree to be recorded. Refresher course classes are scheduled for Tuesday and Thursday evenings from 7:30 - 9:30 PM except for the initial session which runs from 7:30 - 10:00 PM. Due to changes in instructor availability, it may be necessary to reschedule a class for a prearranged "Open" date, which include Thursday, 10/19 and Tuesday, 10/31.
