About 10 CityPoint, Waltham

CityPoint is located eleven miles from Boston, adjacent to the Winter Street/Totten Pond Road interchange of Route 128 and a short distance from both Route 2 and the Massachusetts Turnpike, with prominent frontage on Route 128. 10 CityPoint overlooks the construction of 20 CityPoint, another key part of the development that will also be the future home of ACEC/MA Member Firm Simpson, Gumpertz & Heger. The CityPoint development features LEED certified buildings.

Enjoy the top floor roof terrace that offers vistas of the area.

Celebrate with us on June 13 to honor our ACEC/MA leaders and hear about 2018 Engineering Excellence Awards Grand Conceptor & Gold Award-winning projects:

Simpson Gumpertz & Heger's Bahá'í Temple of South America

Arup's Northeastern University Interdisciplinary Science and Engineering Complex

CDM Smith's Massachusetts Turnpike All Electronic Tolling System

Nitsch Engineering's Boston Public Library, Central Library, Johnson Building

Simpson Gumpertz & Heger's University of Massachusetts Design Building
