

**INTEROFFICE MEMORANDUM**

---

**TO:** Carrie Lavallee, P.E., Acting Chief Engineer *Carrie Lavallee*  
**THROUGH:** Michael O'Dowd, Director of Major Projects *Michael O'Dowd*  
**FROM:** Narayana Murthy Kolla, P.E., Manager of Alternative Procurement & Delivery  
**DATE:** June 21, 2021  
**SUBJECT:** Design-Build Project Identification-Next Generation Bridge (NGB)

---

A committee comprised of Design-Build staff was assembled to research the scope of work for the Next Generation Bridge Program (NGB) projects proposed as Potential Candidates for Design-Build by Major Projects. The Project Identification checklist was used to evaluate suitability for Design-Build project delivery. It has been determined that the following Projects are good candidates for Design-Build Project delivery and are recommended to be procured using the Design-Build two phase procurement process:

<b><u>605294</u></b>	DUXBURY- BRIDGE REPLACEMENT, D-14-010, ROUTE 3 (NB & SB) OVER FRANKLIN STREET
<b><u>607670</u></b>	BOSTON-SOMERVILLE- BRIDGE SUPERSTRUCTURE REPLACEMENT - B-16-067 MAFFA WAY & B-16-068=S-17-027 MYSTIC AVE. OVER MBTA ORANGE LINE AND COMMUTER RAIL MBTA/ BMRR
<b><u>608009</u></b>	BOXBOROUGH- BRIDGE REPLACEMENT, B18-002, ROUTE 111 OVER I-495
<b><u>607681/605645</u></b>	CHELMSFORD- BRIDGE BUNDLE, BRIDGE REPLACEMENT, C08-039, GORHAM STREET OVER I-495 AND BRIDGE BETTERMENT, C08-036, WESTFORD STREET OVER I-495

If you have any questions, please contact Narayana Murthy Kolla at 617-892-3168.
