MassDOT Highway
ACEC – State Markets Conference
April 4, 2019

Jonathan Gulliver, Highway Administrator
About MassDOT Highway

- 9,561 Lane Miles of Interstate, Numbered Routes, and Toll Roads – 60% of all trips

- Own 3,492 federal definition bridges (over 20 feet in span)

- Inspect 1,615 municipally owned federal definition bridges

- 35 lane miles of Tunnels

- $1.2 Billion Capital Program
MassDOT Year in Review

- Successfully Completed Major Projects
  - Whittier Bridge
  - Longfellow Bridge
  - Fore River Bridge
  - Comm Ave Bridge

- Major Construction and Advertisement Program
  - Chelsea Viaduct
  - Haverhill – I-495 Bridge Replacement
  - South Coast Rail Early Action
  - Over $1 Billion Spent
  - 182 projects advertised
    - 163 NTP’s Issued

- Municipal Programs
  - Complete Streets
  - Municipal Small Bridge
Upcoming Priorities - Engineering

- Asset and Risk Based Approach to Capital Program Development and Project Management
Improving and Minimizing Risk - Capital Program Delivery

Risks to Capital Program Delivery

**PLANNING**
- Immature scope/estimate
- Delayed project start

**DESIGN/ROW**
- Unrealistic schedule
- Scope creep
- Article 97
- Cost escalation
- Late design changes
- Utility coordination
- Lengthy review/issue resolution
- Right of way resources

**PROCUREMENT**
- Plan readiness
- Contract section resources
- Tedious routing process

**CONSTRUCTION**
- Unforeseen conditions
- Design errors
- Delays
- Cost overruns

Launch of MAPIT
- PRC Agreement Letter

Multi-discipline pre-25 collaboration
- Bluebeam electronic review and routing, revised review times
- Cost estimating
- Proposed Revised Article 97 leg.
- ROW hiring plan/reorg
- Emphasis on accurate design schedules and milestones

PM given ownership of project and schedule through bid award
- Control of Documents
- Pursue paperless routing of approval

Post Construction Conferences
- 50% meeting with PM

4/3/2019
Draft for Discussion and Policy Purposes Only
Baker-Polito Work Zone Safety Legislation

- Variable Speed Limits
- Side Guards and Mirrors
- Ignition Interlock
- Primary Seatbelt
- Hands Free
- Electric Scooter
Construction Coordination & Management Planning

- MassDOT and MBTA have worked collaboratively to develop a more coordinated approach for 2018 and now 2019 construction seasons.

- Ultimate goal is to have ongoing coordinated effort to maximize mobility in the face of multiple Highway and Transit projects that reduce capacity and create diversions.
  - Fully coordinated effort to include:
    - Project identification, sequencing, and coordination
    - Development of mitigation, diversion, and mobility options
    - Customer/Stakeholder outreach and communication strategy

- This deck focuses on 2019 – 2020 construction seasons

- Previews 2021 construction season
Highway & transit projects with roadway lane closures, transit service disruptions/diversions, and/or parking impacts during all time periods.

Not all projects have fixed work zones.
# Northern Corridor Construction Analysis

## Identification of Ongoing and Upcoming Construction

Anticipated Project Schedule – 2019-2021

*Planned Ad Date

**Encore Boston Planned to Open June 2019**

**Weekend Diversions**

**Night & Weekend Diversions**
Outlook for 2019

- 5 Year CIP will be released later this year

- Allston Project Permitting

- 495/90 Interchange Permitting

- Similar sized Construction program
  - Tobin Bridge
  - Chelsea Viaduct
  - North Washington Street Bridge

5 year CIP – expected to be $4.6 to $4.8B for Highway with a continued focus on reliability

We have a similar sized construction program expecting to spend another $1.2 billion
Design Build – Upcoming Projects

- Charlton – Oxford - Route 20
  - $60 million

- Fall River – Route 79/Davol Street
  - $70 million

- Hopkinton - 495/90 Interchange
  - $270 million

- Boston – Allston Intermodal
  - ~ $1 billion

- Newton-Weston – Multiple Bridges
  - $180 million
Municipal Programs

Complete Streets

Municipal Small Bridge Program

Chapter 90
MassDOT Contract Opportunities

- Design Services to support CIP

- Specialty Services to support Highway Division activities
  - Environmental, Right of Way, Complete Streets, etc.

- Master Service Agreements (MSA)

- Right-of-Way
  - ROW Activities
  - ROW Plan Preparation and Review

- Salary Cap
April 9 & 10, 2019 • DCU Center, Worcester, MA

Check out the latest state of the art technology, interactive displays, and the chance to share ideas with peers in related fields.

The annual conference put on by MassDOT is the largest transportation innovation conference in Massachusetts. With over 60 sponsors and exhibitors, the conference will have countless opportunities to meet with experts, as well as interactive demonstrations and engaging displays of cutting edge technology.

The 2019 conference will once again include the addition of the Massachusetts Community Transportation Coordination Conference as part of the MassDOT Transportation Innovation Conference. The inspiration behind combining conferences is the increasing interest among stakeholders in collaborating to address transportation barriers for pedestrians, seniors, and people with disabilities.
