RE: NEITS Annual Membership for Calendar Year 2020

New England Intelligent Transportation Society Member,

On behalf of the NEITS Board of Directors, I want to sincerely thank you for your past support and look forward to your continued participation in this expanded regional chapter. Your membership gives you access to a wider network of resources and regional collaboration. Upon payment of your dues, your organization will automatically become part of NEITS.

NEITS 2019 Highlights:

- The first NEITS Annual Interchange held in New Hampshire
- The second NEITS scholarship awarded
- 15 Lunch n Learn events
- Now offering PDHs at select events

NEITS Goal and Objective: Increase awareness of local ITS projects and ITS benefits among local policymakers, political leaders, and the general public. Our objective is to establish NEITS as a resource for information on regional and local ITS projects and ITS benefits.

Benefits of NEITS Membership:

- Information sharing and networking opportunities with numerous ITS professionals in New England
- Discounted registration for New England ITS Annual Interchange
- Invitation to ITS-related educational seminars and technical meetings (Lunch n Learn series)
- Organization logo on <https://www.newenglandits.org> homepage
- Opportunities to assist in NEITS' advocacy, education, and outreach efforts

Our Annual Interchange meeting is another example of our commitment to knowledge exchange and intra-industry communication. **This year's Annual Interchange is on June 9th, 2020 at the Courtyard Marriott in Boston, MA.** This regional symposium is where New England transportation stakeholders, private, public, and academic, share best practices and cutting-edge transportation solutions.

We invite you to be part of this exciting year of change and participate in membership in the organization for Calendar Year 2020. We continue to offer the same annual dues as last year. Dues can be paid in one of two ways:
