Effective Writing

An ACEC/MA Leadership Education Development Program

Wednesday, April 15, 2020

8:00 AM to 12:00 PM

GEI Consultants, Inc., 400 Unicorn Park Drive, Woburn, MA 01801 (This course will be offered in the fall @ GZA GeoEnvironmental, 249 Vanderbilt Ave., Norwood, MA 02062)

"I took this program when I was a co-op at GEI a few years ago - it's certainly helpful to me with all the geotech reports I write." Anthony Telesco, Jacobs

Improve your technical writing at ACEC/MA's *Effective Writing* program, with quality content in a format focused on skills especially needed by engineering and land surveying firms.

Effective Writing is modeled on the program offered by GEI for its employees. Tailored to the needs of employees, it is worth the small investment in time for you to take this course.

Course Format:

- Goals: Clarity, Brevity, Think of the reader
- Simplifying words and phrases
- Active and passive voice
- Words to be avoided
- Writing for clarity
- Common mistakes of grammar and punctuation
- Taboo and caution words for our industry
- Report and letter organization
- E-mails, proposals
- Reviewing and editing draft reports
- Field Reports
- Specifications

*Fee: \$250 ACEC/MA member; \$500 non-members
