

# Professional Engineer Refresher Course

## Spring 2024 Schedule

The BSCES Professional Engineer Refresher Course consists of twelve classes covering both the breadth and depth portions of the five Civil Professional Engineer Exams. Course instructors will present their classes virtually over Zoom. Each class will be recorded and distributed for participant viewing during the course. By registering for this course, you are agreeing to be recorded. Refresher course classes are scheduled for Tuesday and Thursday evenings from 7:30 - 9:30 PM except for the initial session which runs from 7:30 - 10:00 PM. Due to changes in instructor availability, it may be necessary to reschedule a class for a prearranged "Open" date, which include Tuesday, 3/5, and Thursdays, 3/21 and 4/11.
