## Committee on Sustainability

# Envision Award Tour: ISEC Pedestrian Bridge

**Jacqueline Valencia**  
*Project Manager, Northeastern U.*

**Parke MacDowell, AIA**  
*Lead Architect, Payette*

**Jillian Condiracci, ENV SP**  
*Field Engineer, Skanska*

**Thursday, April 28, 2022**

**Interdisciplinary Science & Engineering Complex at Northeastern University**  
**805 Columbus Ave, Boston, MA 02120**  
**Tour - 5:00 PM; Social Hour - 6:00 PM**

The Committee on Sustainability invites you to an informational tour of the Interdisciplinary Science and Engineering Complex (ISEC) Pedestrian Bridge at Northeastern University. This visually stunning link between Fenway and Roxbury is Massachusetts' most recent recipient of an Envision award for sustainable infrastructure. The outdoor tour will be guided by project team members from design and construction with emphasis on award-winning features that enhance public space, promote future growth, improve public health and safety, minimize energy and light pollution, and use durable materials with recycled content.

Following the tour, the group will move indoors for a social hour at a neighboring venue. Reconnect with friends, meet industry insiders, and grow your network while enjoying catered appetizers and beverages, and cash bar service. Registration is limited to 46 attendees.

**Registration Deadline: Thursday, April 21, 2022**

**\$75 Members, \$95 Non-Members**

**\$65 Public Sector Members, \$75 Public Sector Non-Members**

**\$25 Student and Senior Members (65+)**

### Information/Registration:

Register to attend this meeting and pay by credit card [here](#). To register online for an event at the BSCES member rate you must login using your BSCES assigned username and password. If you do not know your BSCES member login information call 617/227-5551. You can also register for this event by mail or email. To do so, download and complete a [BSCES Event Registration Form](#) and follow the submission instructions. Cancellations received after Thursday, April 21, 2022 and no-shows will be billed.

*Please note that an inherent risk of exposure to COVID-19 exists anywhere other people are present, and even precautionary measures such as masking and social distancing cannot completely eliminate this risk. The Boston Society of Civil Engineers Section / ASCE (BSCES) requires any person attending a Society-sponsored in-person activity to be fully vaccinated against COVID-19 and to be prepared to provide proof of vaccination. In addition, any person who chooses to travel to and/or participate in any BSCES in-person activity assumes all risks arising from that decision. All participants must agree to comply with all safety procedures established by the Commonwealth of Massachusetts and Centers for Disease Control and Prevention (CDC) as well as any other protocols put in place by BSCES, the host sites, travel facilities, or any other applicable authorities.*
